

Dear Edmond Memorial Orchestra Member,

In order to continue our orchestra operations at the level we have all come to expect, **an orchestra fee in the amount of \$20.00 is due from all orchestra students.** If multiple students in one family, the orchestra fee is \$10.00 per student. This amount may be paid by cash or check. Along with our district appropriated money and parent booster support for the orchestra, the fee will help cover the following operating expenses related to contests.

- Sheet music
- Instrument repairs and maintenance\
- Contest fees, including one district ensemble entry
- Clinician fees

In addition to the orchestra fee, you may have other fees listed below. So that the orchestra staff can operate more efficiently, please determine the amount you owe, and write one check to cover all of your expenses. \*If you have any questions as to how much you owe, please contact Mr. Koehn for an explanation.

\*Payment arrangements can be made on an individual basis or through fundraising. Please contact Mr. Koehn if you would like to set up a payment schedule.

*Please detach and return the bottom portion attached to your payment.*
